This report is printed to be put in a #10 Window envelope and sent to a customer. This is page 1 of a multi-page report that came directly off of the ProTrac Report List.

The message can be changed each time the report is run. The uses of the report are to let a customer know what they purchased for a Holiday or Special Event. There are two dates for them to order product for Christmas 2014. Our customers tell us that their customers come into their service area with these Letter Reports in their hands. Call for a demonstration or information
