

Trapp Online's ultra-secure cloud hosting service was designed to help make your business more successful. Trapp Online was founded on the idea that a company's applications and data need to be retrieved move quickly and efficiently.

By hosting your software through Trapp Online solution, you are provided with instant access to your information, reliable and friendly support staff, a flat monthly rate and no hidden costs. Simply with your internet connection, your application and data are accessible anywhere, anytime, on any device.

[HOW IT WORKS]

Log on to Your **CLOUD** from any device!

Trapp Online is a user-friendly hosting system. Customer service is amazing and someone is always available to help walk you through any questions you might have. Our company is based all over the world (England & US) and Trapp Online has been the best solution for our company's accounting system! Not to mention, we LOVE LOVE LOVE the Trapp Online team!!"

- Megan Oleson
Optic Couture, Inc.
(dba Jee Vice)

"With the cloud computing service offered by Trapp Online. I am able to work from any Internet-connected computer, saving me time and travel. Clients' questions can be answered whether I am in the office or not, providing immediate answers, which is essential for customer confidence. Trapp Online customer service is very good. Their support team has been very helpful and professional in addressing all my questions. I would highly recommend Trapp Online to any accounting firm and small business owner! Trapp Online has been a lifesaver for my office!"
